

Section 43.505 RSMo requires every law enforcement agency in the state to submit Uniform Crime Reports (UCR) on the forms and in the format prescribed by the Department of Public Safety. The law goes further by adding that any law enforcement agency that violates this section may be ineligible to receive state or federal funds which would otherwise be paid to such agency for law enforcement, safety or criminal justice purposes. This spreadsheet shows the reporting status of Missouri's law enforcement agencies for 2003 year-to-date. "ORI" means Originating Agency Identifier, which is a unique number provided to law enforcement agencies by the FBI. The coding legend below explains the approval status. Monthly UCR reports are due by the 28th of the following month

Section 43.505 RSMo requires every law enforcement agency in the state to submit Uniform Crime Reports (UCR) on the forms and in the format prescribed by the Department of Public Safety. The law goes further by adding that any law enforcement agency that violates this section may be ineligible to receive state or federal funds which would otherwise be paid to such agency for law enforcement, safety or criminal justice purposes. This spreadsheet shows the reporting status of Missouri's law enforcement agencies for 2011 year-to-date. "ORI" means Originating Agency Identifier, which is a unique number provided to law enforcement agencies by the FBI. The coding legend below explains the approval status. Monthly UCR reports are due by the 28th of the following month

Section 43.505 RSMo requires every law enforcement agency in the state to submit Uniform Crime Reports (UCR) on the forms and in the format prescribed by the Department of Public Safety. The law goes further by adding that any law enforcement agency that violates this section may be ineligible to receive state or federal funds which would otherwise be paid to such agency for law enforcement, safety or criminal justice purposes. This spreadsheet shows the reporting status of Missouri's law enforcement agencies for 2003 year-to-date. "ORI" means Originating Agency Identifier, which is a unique number provided to law enforcement agencies by the FBI. The coding legend below explains the approval status. Monthly UCR reports are due by the 28th of the following month

Section 43.505 RSMo requires every law enforcement agency in the state to submit Uniform Crime Reports (UCR) on the forms and in the format prescribed by the Department of Public Safety. The law goes further by adding that any law enforcement agency that violates this section may be ineligible to receive state or federal funds which would otherwise be paid to such agency for law enforcement, safety or criminal justice purposes. This spreadsheet shows the reporting status of Missouri's law enforcement agencies for 2003 year-to-date. "ORI" means Originating Agency Identifier, which is a unique number provided to law enforcement agencies by the FBI. The coding legend below explains the approval status. Monthly UCR reports are due by the 28th of the following month

Section 43.505 RSMo requires every law enforcement agency in the state to submit Uniform Crime Reports (UCR) on the forms and in the format prescribed by the Department of Public Safety. The law goes further by adding that any law enforcement agency that violates this section may be ineligible to receive state or federal funds which would otherwise be paid to such agency for law enforcement, safety or criminal justice purposes. This spreadsheet shows the reporting status of Missouri's law enforcement agencies for 2003 year-to-date. "ORI" means Originating Agency Identifier, which is a unique number provided to law enforcement agencies by the FBI. The coding legend below explains the approval status. Monthly UCR reports are due by the 28th of the following month

Section 43.505 RSMo requires every law enforcement agency in the state to submit Uniform Crime Reports (UCR) on the forms and in the format prescribed by the Department of Public Safety. The law goes further by adding that any law enforcement agency that violates this section may be ineligible to receive state or federal funds which would otherwise be paid to such agency for law enforcement, safety or criminal justice purposes. This spreadsheet shows the reporting status of Missouri's law enforcement agencies for 2003 year-to-date. "ORI" means Originating Agency Identifier, which is a unique number provided to law enforcement agencies by the FBI. The coding legend below explains the approval status. Monthly UCR reports are due by the 28th of the following month
