

MACA News ^{Spring 2025}

Message from the President

Hello MACA Members!

Let's create a "Buzz" and sip some of life's sweet moments, while the world is awakening by the season of Spring! While working together to plant seeds for our personal and professional growth; we will evolve through the muddy paths, heavy rainstorms and unpredictable skies. However, always remember you are "flowers" that can rise brighter, stronger and full of life!

Annual Conference is approaching soon! Conference information can be found online, through the Whova App and our MACA Newsletter. If you haven't registered yet, please ensure to do so soon. You can book your room accommodations in advance for the week to receive the guaranteed group rate. Please keep in mind that your room reservation(s) must be made by Friday, April 18, 2025, to avoid the \$25.00 late registration fee.

This year's host for the 2025 MACA Social is Region 5. "It's a Pajama Dance Party, Y'all!" (Appropriate pajamas are encouraged). This year's Civic Project is "Helping Hands for a Better Community" (Women's Recovery House). Region 5 is planning to have a social that will include numerous games and fun activities for your pleasure, so bring your best moves for the dance floor and your best pj's to capture the memories of an eventful evening! Let's make sure to show respect and be mindful that every region works extremely hard throughout the year planning to have a successful event. This will be MACA's first "Pajama Dance Party!" Bee there or Bee Square.

I would like to encourage all of you to look through the entire newsletter for important details pertaining to this year's conference. There is a first-time training session Monday for New Clerks with less than 3 years of court experience. As well as Court Clerks/PA Clerks with 5 years or more of experience presented by NACM (National Association for Court Management). There will also be a first-time New Clerk's Orientation meet and greet lead by Chiara Ogle and Jackie Jones, assuring No Clerks will be left behind during the week of conference. Heather Smith our Professional Development Director and the education committee will leave no rock unturned. If you are craving something more in your professional growth, "wait for it", we have heard you.

As your President of MACA, we the Executive Board have agreed that our certification requirements have remained stagnant for over 30 years, it is time for "spring cleaning" which will assist in developing you to blossom personally and professionally. We are challenging you to walk with us through this journey with an open mind, as we are aware that change is not always easy. Pick a few "tulips" along the way and provide "sunshine" to help the next clerk blossom! There is a quote that states, "May the flowers remind us why the rain was necessary." These changes were ultimately necessary to help us grow as individuals and professionally.

Lastly but surely not least, it has been my pleasure and honor to serve this MACA Organization as President during my 2023- 2025 term. Through every challenge, the long board meetings, life lessons, and even tears, my passion for the development of the organization was sincerely due to how much I truly care about every member and the success of MACA.

Thank you all for the support, special friendships, the smiles and the encouraging words that have left a footprint on my heart! ---Because of YOU, these will always be bittersweet memories that will last forever!!!

-- I AM SO GLAD WE HAD THIS TIME TOGETHER, just to dance, have a laugh or sing a song, it seems like I just got started and before you know it— Comes the time I have to say, "So Long!" - (Carrol Barnett)

Remember, Spring is proof that patience pays off. Like the bees emerging from their hives---step forward with renewed energy, motivation, and a renewed mindset, to reap the value of fulfilling a purpose that comes with great reward!

Your MACA President ,LaJohna R. Wooldridge

Angela Davis
Region 2 Director

I have been the Court Administrator for the city of Raymore since 2021 with a total of 8 years court experience having begun my career with the City of Belton in 2017 as a Deputy Court Clerk where I fell in love with the job and obtained my CCA in 2021. I am always willing to lend a helping hand to others.

I have been an active member with WACA (Western Association of Court Administration) and have been a member of the board since 2018 where I held positions as Director 4, Secretary, and currently the President and the Region 2 Director. Since joining the MACA board in 2022 I have served as the historian and currently still holds the Region 2 director and holds the Civic committee chair.

On a personal note I married my husband in 2008 and we have 2 boys. When I am not working, I love spending time at motocross tracks around Missouri and Kansas.

Happy Conference Time!

I would like to thank the education committee for all their hard work and dedication they have given to make this year's annual conference something great to look forward to! I would like to take this opportunity to give a little insight to some exciting events happening and offer a reminder or two about the sessions in general.

Monday will be offering it's customary new clerk training and, new this year, we will be running an advanced clerk training. The new clerk training will be presented with topics in mind such as the separate branches of government, Rules and Statutes, Redaction and MUCH, MUCH MORE! The advanced clerk training will include topics that will lean toward Purposes and Responsibilities, Ethics, Accountability and Court Performance and will be presented by members of NACM. While the sessions can count toward the CORE Championship program through NACM, you do not have to be a member of NACM to attend. These training sessions are open to all membership types.

OSCA will be on sight for one-on-one bank reconciliation assistance. There will be time slots available on Wednesday by appointment only. Appointments are on a first come, first serve basis and you must be a registered conference attendee. Belinda recently sent out an email with information on how to secure your appointment. If you have or do make an appointment, please make sure to bring all the necessary documents with you that you will need.

Once again, this conference, we will have an evening education session. YOU DON'T WANT TO MISS THIS ONE! I have seen a preview and you won't be disappointed. Remember, attending this session in its entirety will credit 2 education hours.

On your conference registration, you are asked to mark what events you will be attending. Please make sure that you mark, and attend, any sessions and/or events that you are interested in. This information is used to plan meeting space/room size, refreshments if provided, materials, etc.

I look forward to seeing all of you very soon.

Professional Development Director

2025 Election

The upcoming MACA election will include candidates for President-Elect, Treasurer, and the Odd-Numbered Regions.

There will be no contested races or By-Law changes this year.

Below are the bios of the candidates running for these positions.

President-Elect

Whitney Weber
Pleasant Hill Municipal Court

As the Court Administrator for the City of Pleasant Hill, Whitney Weber is both diligent and committed to her profession.

She started in 2012 working for the Cass County Circuit Court utilizing JIS and after learning all things from Criminal cases, Garnishments, Small Claims, Traffic, MACCS and Domestic cases, she soon became supervisor over the Domestic Relations division. Whitney was the guest speaker for a Statewide Clerk College in 2015 where she taught other clerks case processing that included divorces, name changes, paternity cases and protection orders. After 6 years at the Circuit Court, Whitney wanted to expand her knowledge about the courts and accepted a position as a Prosecutors clerk with the City of Harrisonville.

Whitney's passion was working in the courts and she always knew her ultimate goal was to have her own court.

A year later Whitney applied for and was offered her current position as Court Administrator for the City of Pleasant Hill.

Whitney is an active member with MACA (Missouri Association of Court Administrators) where she currently holds the Region 6 director position and serves as the head of the Automation & Technology Committee. Whitney also serves as a member of the education committee for this organization.

Aside from the State MACA Board, Whitney is also a member of WACA (Western Association of Court Administrators) where she has held the position of Education Director, Treasurer, President and currently holds the position of Past President and President Elect.

Whitney has attended several colleges over the years. Wanting to diversify her education and knowledge, she completed around 125 college credit hours in various courses including Political Science, Criminal Justice, and Computer Networking. Whitney received her A+ certification for Computer Networking and repair, her CCA and MACCA through Missouri State University and is a certified Mental Health First Aider through the National Council for Mental Wellbeing.

In her free time, Whitney enjoys weightlifting, sand volleyball, gardening, spending time with her children and traveling to support her boyfriend Kevin as a College Football Ref.

We are excited to announce our updated certification policy and procedures! The Board has been hard at work to ensure that these changes reflect our commitment to both professional growth and organizational excellence. This updated approach is designed to provide clear guidelines, enhance the certification process, and ensure that every MACA member is supported throughout their certification journey.

As we continue to evolve and grow, we recognize the need for a more streamlined and efficient certification process. Our goal is to ensure that certifications are not only more accessible but also better aligned with the ever-changing needs of our industry.

The new certification policy is designed to make your path to certification smoother, more efficient, and more rewarding. No matter what level of certification you are working towards, this update will provide a clearer and more supportive framework.

Certifications that MACA now offers:

CCA - Certified Court Administrator

MACCA - MACA Advanced Certified Court Administrator

ACCA - Advanced Certified Court Administrator

CPC - Certified Prosecutor Clerk

MACPC - MACA Advanced Certified Prosecutor Clerk

ACPC - Advanced Certified Prosecutor Clerk

Attached with the newsletter is the updated Certifications and Continuing Education policy and procedure. The board took in consideration that some might be able to receive their certifications soon under the old policies and procedures. Because of that the new requirements will take effect with any applications received AFTER MARCH 1, 2026.

Please don't hesitate to reach out to any board member with questions. We also ask that you please have patience as we work through any questions and concerns.

HELPING HANDS

FOR A BETTER COMMUNITY

A nonprofit organization dedicated to supporting women in our community as they recover from drug addiction

Having come through recovery ourselves, we understand how hard it is for women dealing with addiction to get on their feet without a safe living place. Our program includes providing a supportive home shared with other recovering women, and access to stable jobs, reliable transportation to essential recovery activities. We want all the women to break free from addiction and achieve long-term stability.

"Casey and Latasha, the two of you continue to blow me away. You don't even realize the enormous positive impact you are having on our community! With every outreach to a business to support the shelter, with every donation you solicited and received, and especially with last night's event, you are bringing awareness to the positive ripple that comes from giving people another chance. Giving them a reason. Giving them support, community a place to start over. As part of our treatment court in McDonald County, I appreciate both of you so much. You are living proof of the good things that can happen when a community opens its hearts and minds to the idea of supporting those who need a chance. I'm so very proud both of you. Thank you for all you do."
